

## MAY BE NEW GERMAN PREMIER

By Telegram to The Freeman.  
Zurich, Aug. 28.—Dr. William Solf, German Colonial Secretary and former Governor of German Samoa, may succeed Count Von Hertling as Imperial Chancellor, according to a report received here from Berlin.

Dr. Solf is one of the leading members of the so-called "western school of political thought" in Germany, which is strongly opposed to the views and policy of the reactionary Junker group of "easterners," which contends that Germany's destiny is in the east.

The German colonial secretary is a Liberal and has been charged with holding the views of a group of Liberal pacifists.

Dr. Solf's appointment as chancellor could be construed only as the opening of an attempt on the part of the Kaiser to seek some sort of peace by negotiation, or the effort to avoid continuance of the war to a complete German defeat.

## FIRST SHIP TO BE LAUNCHED SOON

Rapid Progress Being Made On First Ship Under Construction at Kingston Shipbuilding Yard on Island Dock.

The first big ship to be built by the Kingston Shipbuilding Corporation at the shipyard on the Island Dock is rapidly nearing completion and the ship will be ready to be launched in the near future. At the present time it is impossible to fix a definite date as everything depends now on the weather and the prompt arrival of material to be used in the ship. The launching ways have been completed, and when the ship is ready to slide in the water an announcement of the date will be given in The Freeman.

At the present time six hundred men are working at the Island Dock yard, and considerable progress is also being made on the two other ships under construction.

## LIMITED SERVICE MEN AS CLERKS

May Be Used in That Capacity at State Headquarters And at Exemption Boards.

According to a bulletin received from the adjutant general's office by the local exemption boards, men who have been held for limited service as clerks, may soon be used for clerical work and administrative work at state headquarters and at local, district, and medical advisory boards.

Now that the draft ages has been from 18 to 45, there will be much more work added to the already large amount of government work. The bulletin says that full particulars will be sent later and asks the boards to prepare a list of limited service men qualified for the clerical work with the boards.

The bulletin in part says: "Fully realizing the difficulties of securing and maintaining competent and ample clerical forces for state headquarters and local districts and medical advisory boards, and in anticipation of the largely increased volume of work which will result from the enactment into a law of the bill now pending in congress to increase the age limits and the necessity for expeditiously classifying the new registrants in order to be ready to respond instantly to all calls for men, the provost marshal has requested and secured authority to induce into service either as privates or non commissioned grades in clerical and administrative work at state headquarters and at local district and medical advisory boards, class 1 registrants who are physically disqualified for general military service, but qualified for special or limited military service, and also especially qualified for such clerical and administrative work."

## ONE KILLED IN REVERE BEACH FIRE

By Telegram to The Freeman.

Revere, Mass., Aug. 28.—Captain Clarence F. Borden was killed and several other firemen injured in a fire of unexplained origin which early today swept a block in the thickest part of the amusement section of the beach, causing a property damage estimated by the police at \$400,000.

Captain Borden with a dozen other firemen, were trapped in the Nautical Gardens by a hot air explosion, and the former was buried in the ruins of the building.

The fire started in the monkey house about 4:30 a. m.

More than a dozen hotels and places of amusements were destroyed. All were frame structures.

## GOMPERTS IN LONDON.

One of the features of the U. S. demonstration given our boys who returned Tuesday afternoon was the large turnout of the employees of the Herbert Brush Company plant at Mill street headed by Alderman Ralph Mann of the Sixth ward.

## SUNDAY SAVING OF GASOLINE IS URGED

Fuel Administration Requests That Use of Gasoline Power on Sundays For Pleasure Be Stopped—Voluntary Obedience Will Avoid Draconic Orders.

The fuel administration has called upon the public in states east of the Mississippi river to cease the using of all classes of automobiles, with a few named exceptions, motor cycles, and motor boats on Sundays until further notice as a gasoline conservation measure. Only voluntary compliance with the letter and spirit of the request will prevent the issuance of a mandatory order prohibiting the use of gasoline on Sundays. It was declared at the fuel administration. Automobiles for hire are included in the curtailment program.

Motor vehicles to which the restrictions do not apply were announced as: Tractors and motor trucks employed in actual transportation of freight.

Vehicles of physicians used in performance of professional duties. Ambulances, fire apparatus, police patrol wagons, undertakers' wagons, and conveyances used for funerals.

Railway equipment using gasoline. Repair outfits employed by telephone and public service companies. Motor vehicles on errands of necessity in rural communities where transportation by steam or electricity is not available.

The action was taken by the fuel administration. It was stated, to meet a threatened shortage of gasoline for shipment overseas, created by the increased domestic demands and extensive military operations in France.

## AUTO-LESS SUNDAYS HITS STATE HARD

There Will Be Many Thousand Less Pleasure Cars on Roads—Ban Probably of Short Duration.

By Telegram to The Freeman.  
New York, Aug. 28.—Fuel Administrator Garfield's ban on pleasure riding in motor vehicles on Sundays affects 125,000 automobiles in New York city and 411,000 in the state.

The average use of gasoline for a day by a motor car is five gallons and the saving of the oil fuel in New York state by a motorless Sunday will amount to 2,680,000 gallons, valued at \$350,000.

It was estimated also here today that eighty-five per cent of the cars affected are "family cars"—those owned and used for recreation by men of moderate circumstances.

It was indicated that as soon as a large reserve stock can be built up, the "autoless Sundays" will be abandoned, and that this probably will be in a few Sundays.

Fuel administration officials frankly stated this afternoon that the users of gasoline are too wasteful and that the many leaks, such as leaving a machine running while not in use, leaks from cars and useless trips will have to be abandoned from a purely patriotic point of view, if from nothing else.

## "Senate Lunch" Closed.

M. B. Casey, better known as "Mayflower Mike," who for some time has conducted the "Senate Lunch" at No. 304 Fair street, has closed his place of business and entered the government service. At present he does not know where he will be stationed, but leaves town Thursday with Mrs. Casey for New York city, with the best wishes of many friends.

## Scow Hangs Above Niagara.

By Telegram to The Freeman.

Buffalo, N. Y., Aug. 28.—A scow with four men aboard is lodged on a reef about one-quarter of a mile above the American falls at Niagara. Four tugs have been unable to dislodge the scow, but it is said there is little danger of its going over the falls. The scow became detached from another and drifted on to the reef early today.

## Band Concert For Red Cross.

New Paltz is going to give this section of Ulster county a rare treat on the afternoon of next Wednesday, September 4th, by presenting the West Point Military Band which will give an inspiring and inspiring concert from 2 to 5 o'clock, on the Normal School grounds. This concert will be given for the purpose of raising funds for the New Paltz Auxiliary of the Ulster County Chapter which, as the result of its enthusiastic work, now faces a considerable deficit in its treasury, the indebtedness being for material, etc. It goes without saying that the concert will be one which all will enjoy, especially considering the place where it is to be given; an ideal spot for a band concert. The music claims the support of all of us, and surely the admission, 25 cents for grown-ups and 15 cents for children, will be within the means of all. Remember, next Wednesday afternoon, via the Normal School grounds in New Paltz, from 2 to 5 o'clock.

## MEXICANS EXPRESS REGRET FOR CLASH

Two Americans Known To Be Dead And 20 Wounded In Yesterday's Border Battle—100 Mexicans Said To Have Fallen.

By Telegram to The Freeman.  
Nogales, Ariz., Aug. 28.—Commandant Abasola, of the Nogales, Sonora, garrison today has officially expressed his regret because of the fact that a clash occurred here late yesterday between Mexicans and American troops.

In the street fighting which lasted from 4:05 p. m. to 5:30 p. m., two American soldiers are known to have been killed and 20 wounded. It is estimated that 100 Mexicans lost their lives. Brig. General Derosay Cabell is expected here momentarily from San Antonio with American reinforcements. His arrival will guarantee quiet.

The American dead: Captain J. D. Hungerford and Corporal Barney Lotz.

Seriously wounded: Lieut. L. K. W. Loftus.

Wounded: Lieut. Colonel Frederick H. Herman, shot through right leg; Captain Henry C. Caton, Saratoga Springs, N. Y.; Lieut. S. Lockwood, Nogales; Gaston Reddock, Customs Guard.

No confirmation has been received of reports that Mayor Felix Penolosa of Nogales, Sonora, was killed in the fighting. The battle was participated in by about three hundred American soldiers and fifty civilians. Fighting started on the United States side of the international boundary line.

A military court is now in session to investigate the affair. In the meantime the popularly accepted version is that trouble arose over an attempt on the part of Mexican immigrant officials illegally to pass a Mexican across the border.

Commandante Abasola said the outbreak was due to ill feeling between the Mexican and American border guards.

## DIAL BEATS BLEASE FOR S. C. SENATOR

By Telegram to The Freeman.

Columbia, S. C., Aug. 28.—Former Governor Cole L. Blease has been defeated for the United States senate by Nat B. Dial, who, according to the latest returns this morning, has a majority of 12,000 over both his opponents.

James F. Rice ran a very poor third, securing only a little over two thousand votes. There is a considerable portion of the state yet to be heard from but the later returns are sustaining rather than diminishing the indicated results.

Blease's loyalty has been severely attacked. Dial is pro-administration. Robert A. Cooper is leading the ticket for governor. Latest returns indicate, however, that a second primary may be necessary. John G. Richards is second in the governor's race.

## RUSS-GERMAN TREATY.

Amendments To Brest-Litovsk Pact Signed in Berlin.

London, Aug. 28.—The agreements between Russia and Germany supplementary to the Brest-Litovsk peace treaty, have been signed at Berlin, says a Reuter dispatch from Copenhagen.

The supplementary treaties deal in detail with matters of peace, finance and civil law between Russia and Germany, not covered at the Brest-Litovsk conference, and at that time specifically reserved for later negotiations. These negotiations have been on at Berlin for some weeks.

By Telegram to The Freeman.  
Baltimore, Md., Aug. 28.—Senator Ollie M. James, of Kentucky, who has been a patient at Johns Hopkins Hospital in this city for several months, suffering from a general nervous breakdown and other ailments, died at 6:55 o'clock this morning. He was 65 years of age. The condition of the noted Kentucky statesman took a decided turn for the worse, and only his great vitality kept him alive so long.

When the end came Mrs. James, wife of the Kentuckian, was at the bedside of her husband, as well as a brother of the senator, Edward James.

## SENATOR OLLIE JAMES DEAD

By Telegram to The Freeman.

Senator James was the eleventh United States senator to die during the Sixty-Fifth Congress. His death comes on the day set for the election of the late Senator Newlands of Nevada, in the senate. Flags above the capital and house and senate office buildings were lowered to half mast this morning and will remain so until the senator is buried.

His name appeared on both Republican and Democratic ballots. James Cosens, former police commissioner is ahead by several hundred votes in the majority race in Detroit with Judge William F. Connelly second. These two candidates will be in a "run off" in November.

Congressman Doremus, Nicholas and Cramton are assured of re-nomination. The race for governor and lieutenant governor was very close at noon today with Governor Sleeper, Republican, leading for the former place and Lieut. Governor Dickinson running close for re-nomination to the place.

James F. Rice ran a very poor third, securing only a little over two thousand votes. There is a considerable portion of the state yet to be heard from but the later returns are sustaining rather than diminishing the indicated results.

Blease's loyalty has been severely attacked. Dial is pro-administration. Robert A. Cooper is leading the ticket for governor. Latest returns indicate, however, that a second primary may be necessary. John G. Richards is second in the governor's race.

### STEEL FOR FARMS.

Government Takes Steps to Equalize Distribution.

Following the receipt of letters from hardware dealers indicating a serious shortage in the kinds of iron and steel used by country blacksmiths and in farming operations, the Bureau of Markets made a survey of stocks held by wholesale hardware dealers and of their estimated needs for six months. A questionnaire was sent to dealers who furnish supplies directly or through retail dealers to country blacksmiths and farming communities. Replies from some 250 dealers indicate that in most instances supplies on hand on June 1, 1918, were much less than those of a year ago. Many dealers reported a shortage below actual requirements for the next six months, particularly in the case of barbed wire, nails, and other fencing materials, sheets for roofing and for silos, and steel bars of a size suitable for wagon tires and farm repair work.

Because of the need for iron and steel in war industries for priorities committee of the War Industries Board requires dealers in need of supplies to file a statement, on blanks provided for that purpose, showing the uses for which the materials are desired. The committee then gives the dealer a rating, determined by the essential character of the supplies required, and the higher ratings receive the first attention in distributing the available iron and steel.

### Save the Fruit Crop.

Do not forget that you are entitled to a sufficient amount of sugar for canning in addition to your two pounds ration per month for ordinary household use. Every effort should be made to save the fruit by canning and preserving. Lay up a supply for next winter so that the commercial pack may be reserved entirely for our rapidly growing army in Europe.

## What do you look for in a cigarette?

Smoothness? Yes.

Fragrance? Yes.

Body? Yes.

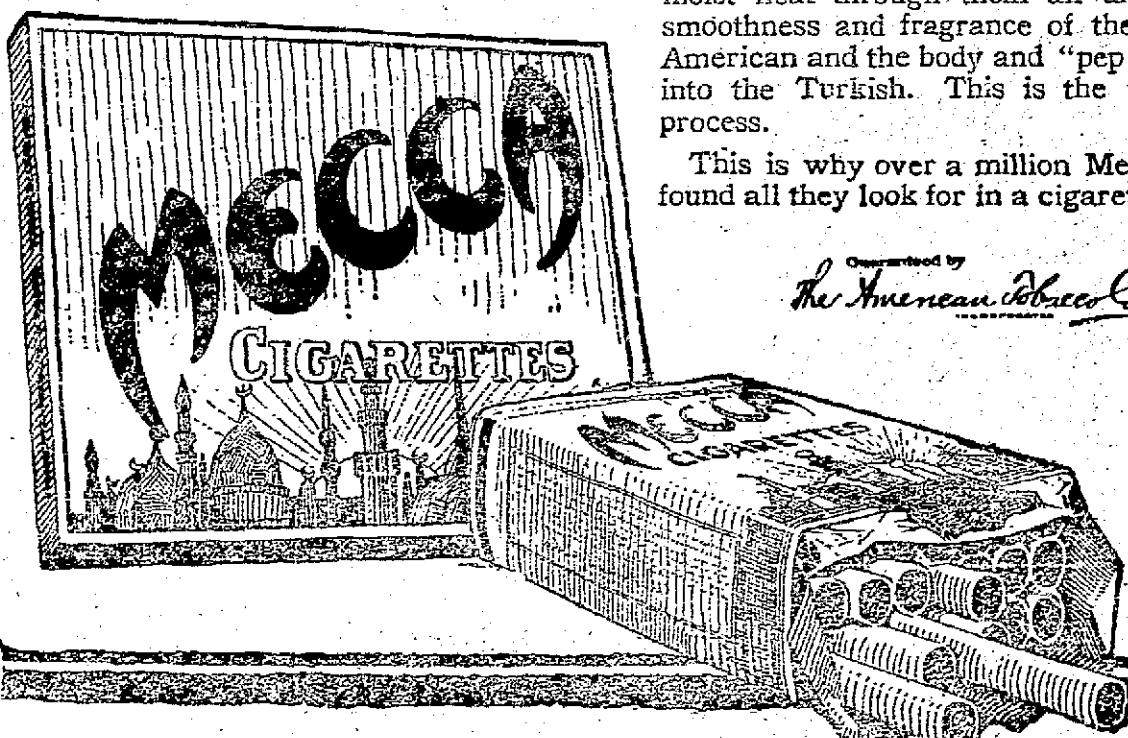

"Pep"? Yes, to let you know you're smoking.

No one tobacco grown combines them all. That's why, to make the Mecca cigarette, they have to use 12 tobaccos—7 American and 5 Turkish.

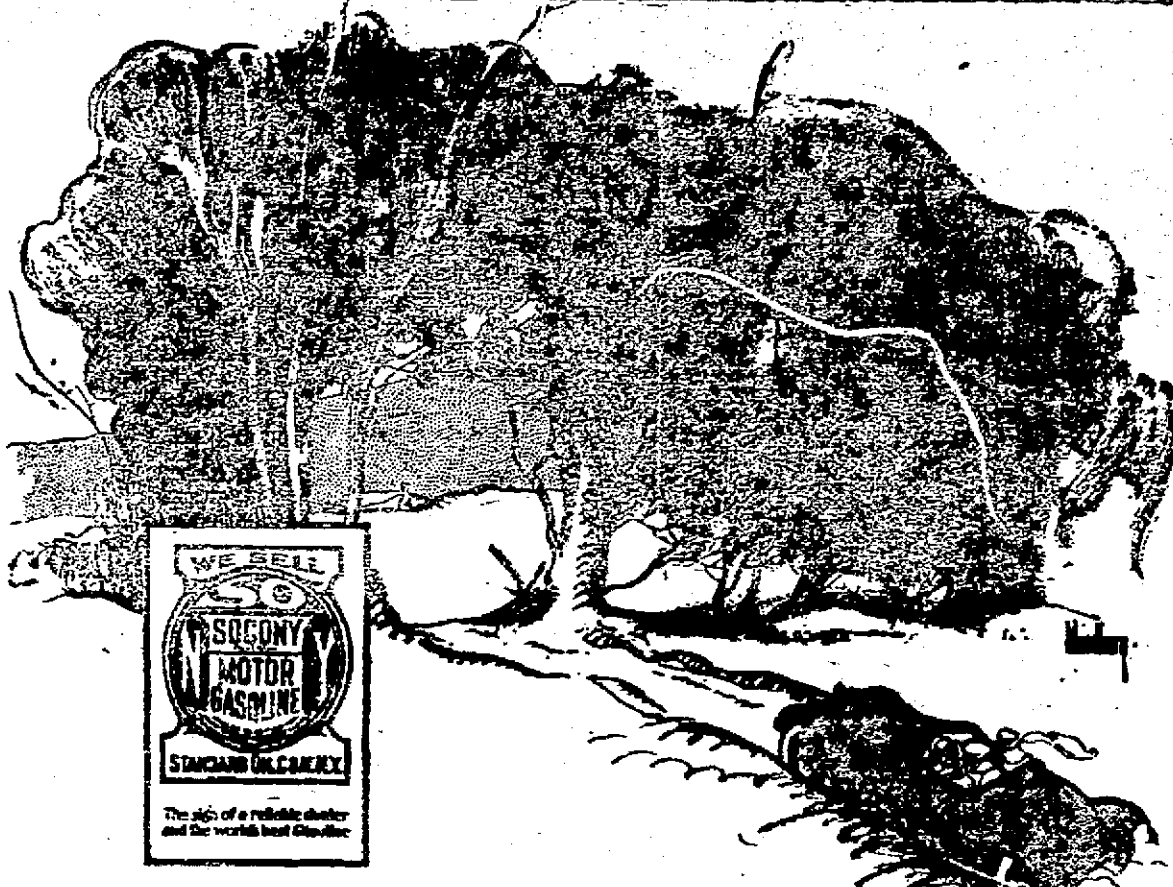

They mix these 12—in just the right proportion—but mixing is not enough. For 50 hours they pass moist heat through them all and thus draw the smoothness and fragrance of the Turkish into the American and the body and "pep" of the American into the Turkish. This is the famous Still-Blend process.

This is why over a million Mecca smokers have found all they look for in a cigarette.

## Fighting Back of the Lines

Inferior, low-grade gasoline costs most in the long run. You count the cost in low mileage, weak power and excess carbon deposits.

SO-CO-NY is the Quality gasoline. It reduces the operating cost of your car by delivering more miles per gallon. It saves.

And in saving you are "doing your bit" these days. You are actually fighting back of the lines.

### LAW NOT ENFORCED?

Taxpayer Complains About Goods Cluttering Sidewalks.

Editor Kingston Daily Freeman:  
Dear Sir:  
Will you be kind enough to publish in your paper the following: In the month of March or April, the Board of Public Works passed an ordinance to keep the sidewalk clear of all materials, which the people wanted, and same was enforced by police department to the satisfaction of all, and now where is the law? It is not enforced and has not been for some time past. It is not fair for some storekeepers who keep merchandise off the walk, to allow others to keep it out, and we would all like to know what is to be done about same.

What is fair for one should be fair for the other.

Respectfully,

A TAXPAYER.

### Government to Erect Houses.

At a luncheon in The Palatine Hotel in Newburgh Monday, President Thomas C. Desmond of the Newburgh Shipyards, Inc., announced that he was in a position to say that the United States Shipping Board Emergency Fleet Corporation would undertake to erect houses in Newburgh for shipbuilders and would spend \$900,000 for that purpose if the people of Newburgh would furnish the land.

### Flatbush Barn Burned.

Shortly after midnight this morning a large barn on the old Benjamin Osterhout property at Flatbush was destroyed by fire of unknown origin. The illumination could be plainly seen from this city. There was no one residing on the property, and the barn was unoccupied, except for the storage of some hay.

# SOME FACTS FOR YOUR CONSIDERATION!

In the matter of our petition to the Common Council for a gas rate increase, we have only asked for fair consideration based upon facts which are apparent to the average intelligent consumer. We believe we are the largest taxpayers in the City of Kingston, and in this capacity bear a very large proportion of the City's advances and upkeep. Is it fair to ask your largest taxpayers to operate their business at a loss any more than you would ask your City employees to work for a wage that was the same as four or five years ago?

The City cannot operate today as cheaply as it has in past years and naturally our taxes will be proportionately higher. How can we have tax bills, oil bills, coal bills, etc., if we are not allowed a rate for gas that will permit of us having the necessary money to pay them with?

When the Yonkers Gas Company advanced its gas rates the City of Yonkers filed objection with the Public Service Commission but, after a review of the situation existing in the Gas Company's business, the Counsel for complainants informed the Public Service Commission that under the present national emergency they did not deem it proper to proceed with the case. And similar information having been received from the City Authorities, the case was left to the decision of the Commission who are the trained experts of the State fully qualified to pass upon the merits of our petition for rate increase. Surely Yonkers City Authorities and citizens are no more public spirited or broader than Kingston City Officials and citizens.

The above situation was practically repeated in the City of Amsterdam, N. Y., and there are many other cities that have taken the same attitude on gas rate increases. Take our two neighboring cities, Poughkeepsie and Newburgh, they have been operating under an increased gas rate since March, 1918. We waited just as long as possible to avoid asking for increases, but eventually were forced to it by constantly increasing costs. Newburgh and Poughkeepsie are similar in size to Kingston and yet they have always operated under a gas rate which was 5 cents higher than Kingston rates and this was during normal times. Does it appear to you that we are unfair in this matter?

Monday and Tuesday we outlined briefly some of the problems that beset us today, increasing taxes, labor costs, etc. If you are a manufacturer you know just how seriously the items of machinery, materials, fuel and labor affect your business. If you are a housekeeper you have struggled with your budget. You have seen prices advance and watched the purchasing power of your dollar shrink. We are up against the same conditions that confront you—only to an even greater degree—and in a somewhat different way, because we must go on. We must continue to furnish service of unimpaired quality—and we cannot substitute. Before the war this didn't involve so much trouble and so many sleepless nights. Today it is different. We have an obligation to perform, a heavy obligation, and furthermore we want to do it, but to fulfill our obligations we must have your support and co-operation.

There never was a time in the history of this Company when our problems were as numerous as they are at the present time. How tremendous this task has become is perhaps hardly realized by our customers. It is such a simple matter to turn on your gas, strike a match and have heat or light and it is not surprising that little thought is given to the plant that produces this service and just what conditions that confront that plant today with our country engaged in war. There is a necessity for relief when it is costing us more to produce gas than we are selling it for. A short time ago a careful study of the public utility situation was submitted to the Comptroller of the Currency by one of the Committees of the Council of National Defense. Their report laid special stress on the following points: First, rates must be increased sufficiently to absorb the increased cost of producing the service; second, some way must be found to enable the utilities to take care of obligations while the war lasts.

It is indeed gratifying to know that so many Federal Officials from President Wilson down realize the position we are placed in and our necessity to the government at large, and all we ask is a fair and impartial view of our conditions right here in Kingston by our local citizens. We ask to exist during these unusual times the same as you yourselves wish to exist.

Mention has been made of the fact that we are paying 7% interest and it is our desire to acquaint the public just what this 7% interest is. The Kingston Gas & Electric Company is not paying 7% interest, but what was referred to was the 7% Debenture Gold Bonds which were offered by our Holding Company. This was for borrowed money which takes the form of a mortgage against the Holding Company's different plants. The fact that we are owned by a Holding Company is the one reason for our financial existence. With an increasing deficit on our books it would hardly seem that the Kingston Company would be able to do any borrowing and our financial standing would be rather poor in a business world, considering that our profit and loss column shows a red ink figure.

Apparently a great many people have an idea that gas is made chiefly of air and water, and as this costs little, therefore, the profits must be enormous. If you who have seen our Gas Plant remember that you saw gas made from coal and oil, and as all things have advanced, gas can not be made and sold at our present rates and allow us to break even.

We have to point out one fact, for it is really the heart of the whole question. In three years the average wholesale price of all articles of commerce has very nearly doubled. In the same time wages in many lines have increased from 50 to 100%. It is plain that we cannot have high wages, costly food, costly coal and everything else costly and cheap gas at the same time. Think is over.

## GARDESKY PLACED UNDER PEACE BOND

The trial of Mr. and Mrs. Raymond Gardesky, who reside at the corner of Delaware avenue and Gross street, and who were arrested on complaint of Mrs. Autopette Slizewski, living on Gross street, was continued in police court Tuesday before Judge Schirick and was completed that day. Mrs. Slizewski had complained that the Gardeskys had made threats to kill her and her daughters. At the close of the trial Judge Schirick placed Mr. Gardesky under a \$750 peace bond, and the case against his wife was dismissed. Judge William D. Brinnier, Jr., appeared for the Gardeskys while Frank W. Brooks represented Mrs. Slizewski.

### LOCAL DEATH RECORD.

Recent Deaths and Funerals of Persons in This Vicinity.

Charles H. Champlin, Sr., died on August 22 at his home in Rhinecliff in his 82nd year. He was a veteran of the Civil War and a member of Armstrong Post, G. A. R. He was a carpenter and builder by trade and resided in Kingston for a few years, but most of his life was spent in Rhinecliff.

Mrs. Mary Ann Conroy, widow of Michael Conroy, died suddenly on Sunday at Hancock, N. Y., where she was visiting. She was a resident of Jersey City, and formerly resided in West Hurley. She is survived by one daughter, Mrs. Thomas Conroy, of Jersey City. The funeral was held this afternoon with interment in St. Mary's cemetery, this city.

Mrs. David Shupe died suddenly of heart failure at the home of George R. Van Aken on Market street, Ellenville, Monday night, at the age of 87 years. Mrs. Shupe was passing the Van Aken home and not feeling well, stepped to the porch and was seated. Before help could be summoned Mrs. Shupe expired. Her husband was called and later the body was taken to her home at Green Acres. Mr. and Mrs. Shupe came to Ellenville from New York about six years ago and have resided at their present home about four years. Funeral arrangements have not been completed, but will be announced later.

Henry LeRoy died Sunday evening at the home of his daughter, Mrs. Ella Beardsley, 42 South Clover street, Poughkeepsie, aged 78 years. He was born in Oakes and was well known throughout Ulster county. For years he operated a supply boat on the Hudson river, and was well known all along the Hudson. He is survived by two sons, Officer George LeRoy of the Poughkeepsie police force, who is now acting as special officer at the Nurses' Training Camp at Vassar College, and Officer Allen LeRoy, special officer at the Poughkeepsie ferry, and two daughters, Mrs. Beardsley and Mrs. Laura Beach of Oakes, and a brother, David LeRoy of Highland. The funeral was held Tuesday with interment in Highland.

Vincent Van Keuren died at his home in Rhinecliff on August 22, in his 38th year. He was born at New Paltz in 1881 and was a son of Peter Van Keuren and Ophelia Wager, deceased. He was married at Rhinebeck and is survived by his wife, his father, who resides at Rosendale and three brothers, Jesse and Peter, of Ohio, and Neal of Jamaica, L. I., who is now in France. Mr. Van Keuren was well known on both sides of the river, having worked for Stock & Cordts in the undertaking department and for William H. Carroll & Son of Rhinebeck. He later went into the violent business, but on account of illness he found it necessary to retire. He had resided in Rhinebeck about fifteen years. The funeral was held Tuesday with interment in Rhinebeck.

Mrs. Caroline Wager Van Gorder, widow of Calvin Van Gorder, died at the home of her daughter, Mrs. William H. Weser, at Ulster Heights, on Saturday morning after an illness of some weeks, at the age of 78 years. Mrs. Van Gorder was born on Cape where she grew to young womanhood and married and resided her married life in the town until her husband's death some years ago. She was a woman of fine Christian character devoted to her home and family, a kind neighbor, a good friend. Surviving are three daughters, Effie, wife of Meri Lupton of Middletown, Mrs. Grace Kidney and Mrs. Caroline Weser, with whom she resided when the death summons came. One brother, John Wager of the Cape, and one sister, Mrs. Kate Schoonmaker of Ellenville, survive. The funeral was held at the M. E. Church at Ulster Heights, Monday afternoon. The service was conducted by the Rev. H. S. Clemons, pastor of the Napanock M. E. Church, and interment was made in the family plot in the Ellenville cemetery.

Mrs. Eline Stahl Coddington, wife of Ezra Coddington, died at Binnewater, where she was spending a few weeks on Saturday, August 24th, after a short illness at the age of 55 years. Mrs. Coddington was born at Wawarsing, a daughter of the late John Stahl, and Sarah Wager, his wife, among the best and highly respected early settlers of this little hamlet. For many years following her marriage Mr. and Mrs. Coddington resided at Middletown, N. Y., where they now have a splendid and well appointed home and since Mr. Coddington's retirement from business it has been their custom to spend a part of the summer at the old Coddington home at Fourth Binnewater, where they were when the death summons came to the devoted wife and mother. Surviving are the grief stricken husband and two sons, Roy of California, and William of Middletown. Three sisters survive. One a resident of Chicago, Mrs. Mary Berger. Mrs. Sarah Terwilliger of Wawarsing, and Mrs. Margaret DeWitt, at Ellenville, where from this home the funeral will be held Wednesday afternoon at 2 o'clock. The service will be conducted by Rev. J. E. Apple of the M. E. Church at Middletown. The interment will be made in the DeWitt plot in the Pansiekill cemetery.

### What Do You Think of That?

There is an aspect of spider and fly relation which fabricators and naturalists alike have overlooked. An observer has brought the microscope to bear on many house flies and finds that the parasite upon that hateful insect is often an immature spider. Too weak yet to spin its web it makes the fly its winged prisoner, and courses from place to place at the will of its captives; either until Pegasus perishes naturally or presumably until the spider has grown up and is able to make a meal of his charger.

### ELLENVILLE.

Ellenville, Aug. 28.—The entertainment at the high school auditorium Monday evening, August 26, under the direction of the Hunt Memorial Class of the M. E. Sunday School was one of the best entertainments given in a long time in Ellenville and will net after expenses are paid a nice sum for the Red Cross local work. The reader of the evening was Mrs. Mabel Potter Wesley of Beacon, N. Y. A young woman of charming personality, she at once won all the hearts of the audience. Her selections were so well chosen and so well recited from humorous to most serious. All received long and hearty applause, which was well merited. Perhaps the most captivating of her fine selections were "Old Mistis" and "Old Glory," the last one of the late James Whitcomb Riley's best productions, and for those who missed hearing Mrs. Wesley they certainly missed a rare treat for an Ellenville audience. The musical part of the program was also much enjoyed and heartily received. From the opening, "The Star Spangled Banner" to the closing number, "America," the entire program was a delightful diversion from all other programs that have been given. The soloists, Miss Evelyn B. Bailey and Miss Bertha Demarest, contributed very charmingly fine selections. Miss Nellie Hobson's piano solo was very beautiful and received well merited applause. Miss Carolyn Clark and Guy L. Gould were at their best in the duet part contributed by them. Mrs. Tenney as the pianist was much enjoyed, especially as she enjoyed as she played so to one of the readings of Mrs. Wesley. Those privileged to attend the entertainment are very profuse in thanks which are due the class for making it possible for an Ellenville audience to enjoy an entertainment so worthy of all the praise that is given, and hope it will not be the last time Mrs. Wesley will appear in Ellenville.

Ellenville and vicinity people gave their boys going to Camp Gordon, Ga., on Tuesday a send-off which was justly merited by those of Division No. 3 that entrained from the Ellenville station on the 10:30 train. Business was practically suspended and the weather was ideal and everybody was around long before the hour appointed for the parade to start. Everywhere floated the Stars and Stripes. Clayton's Band in uniform marched to the square and then proceeded up Canal street to the Ulster Knickerbocker entrance, where the shop and its entire employees, men, boys and girls, the office force, the proprietors, came to the street and were escorted down Canal street to the square, where the boys who were to entrain, who had been brought over from Napanock in autos, and were joined by the Home Defense Guards of Ellenville and the citizens, which included about every man, woman and child of the village, with those who had joined from adjoining villages and then the line of march made its way down Canal street to the station, where a crowd awaited. The heavy cheers amid the strains of music assured the banding that the home boys were bounding and faces were aglow as though hearts were sad. At last the boys boarded the train that pulled into the station and cheer after cheer greeted the air and the train left the station and was gone on its way. Tears flowed up in many eyes, but one thought pervaded the hearts of

all present. Those who stay at home must do their bit to keep the home fires burning while the boys go off for their safety and when the war is over that they may return safely to the homes and hearts made so sad (yet brave hearts and homes) by their going.

### LEIBHARDT.

Leibhardt, Aug. 28.—Percy Depew, who has been enjoying a two weeks' vacation at the home of his grandparents, Mr. and Mrs. James Quick, has returned to his home at Middletown.

School will reopen on Tuesday, September 3, with Miss Kathryn Hotelling as teacher. We are pleased to have Miss Hotelling as teacher again this season.

Elizabeth Krom has had the misfortune to have his face badly kicked by a horse Saturday afternoon. Dr. Hunker of Kerhonkson is attending him. Mr. Krom is getting along well at present.

Private Grover Smith, who has been spending a 30 days' furlough with his wife and children, has returned to Camp Upton.

Several neighbors, both young and old, have been very ill with stomach trouble and cramps.

Mr. and Mrs. Vandemark of Slide Mountain were guests of Mr. and Mrs. Eliza Krom Saturday and Sunday.

Word has been received of the death of Mrs. Mary Oakley, who died at the home of her son, Fred Oakley, at Hyde Park, on Monday, August 26. Mrs. Oakley was the mother of Mrs. William Brown and had many friends in this vicinity who mourn her loss.

Mrs. Jane Miller of Mettacauchos spent Sunday at the home of her son, Mr. and Mrs. Elias Miller, at Kromville.

We are pleased to hear Mrs. Elias Miller is improving in health.

Mrs. William Markle of Mombachus and daughter, Mrs. Oscar Quick, of Walden spent a pleasant day as guests at the home of Mrs. Margaret Lawrence and Mr. and Mrs. L. E. Lawrence.

Anson, the 5 year old son and youngest child of Mr. and Mrs. William J. Brown, died on Friday afternoon, August 22, after a severe illness of one week. The funeral services were held at the home Sunday afternoon at 2 o'clock. The Rev. Mr. Heron, pastor of the M. E. Church, officiated. Little Anson was loved by all who knew him and was the pet of the family. He will be greatly missed in the home circle. Heartfelt sympathy is extended to the father and mother, three brothers and three sisters in their bereavement. The interment was at Krumville Cemetery.

### COTTICKILL.

Cottickill, Aug. 28.—An ice cream social will be held on the grounds of the Reformed Church on Labor Day evening, September 2nd. Ice cream will be on sale, commencing at 5 p.m. During the evening other refreshments will be on sale. Should the evening be stormy, then the social will be held at the same place and time, on the next fair evening.

After a two months' vacation school opens Tuesday, September 3rd, with Miss Anna Short of this village as principal, and Mrs. Vera Burley of this village as assistant.

Gordon's Defense of Khartum.

For sheer duration General Gordon's heroic defense of Khartum excelled all modern sieges. It lasted 317 days, or just nine days shorter than the Russian retention of Sebastopol. Unfortunately, as we all know, its termination was a tragedy, embellished by the fact that a very few days later the would-be army of relief arrived, only in time to pick up the threads of a pitiful disaster.

CHAP. 607.  
AN ACT authorizing the court of claims to hear certain claims.  
Became a law May 10, 1918, with the approval of the Governor. Passed, three-fifths being present.  
The People of the State of New York, represented in Senate and Assembly, do enact as follows:  
Section 1. Notwithstanding any provisions of the code of civil procedure to the contrary, the court of claims is hereby authorized to hear, audit and determine any and all claims arising in or during the performance of any public contract or contracts for the construction of a public work or works to which the state or any department or duly authorized commission thereof is a party, by reason of the fact that during the performance thereof statutory provisions were enacted subsequent to the signing of such contract or contracts and the claimant was thereby damaged or about to be damaged, or that such claims were made, no such claim shall be heard, audited or determined unless it shall have been filed with the court of claims within six months after the date on which this act shall take effect.  
§ 2. This act shall take effect immediately.  
State of New York, Office of the Secretary of State.  
I have compared the preceding with the original law on file in this office, and do hereby certify that the same is a correct transcript thereof and of the whole of said original law.

CHAP. 608.  
AN ACT to confer jurisdiction on the court of claims to hear, audit and determine the alleged claim of Vincent Moffat against the state for damages alleged to have been sustained by him while doing work for the state at the state's prison at Ossining, New York, and to render judgment therefor.  
Became a law May 10, 1918, with the approval of the Governor. Passed, three-fifths being present.  
The People of the State of New York, represented in Senate and Assembly, do enact as follows:  
Section 1. The court of claims is hereby authorized to hear and audit and determine the claim of Vincent Moffat against the state for injuries alleged to have been sustained by him while engaged in electrical work for the state at the state's prison at Ossining, New York, and in the course of such work, or on which he sustained injuries to his left eye, and if the court finds that such injuries were caused through the fault, negligence and carelessness of the state, its officers or agents, and without fault, negligence and carelessness of said Vincent Moffat, damages therefor shall constitute a legal and valid claim against the state, and the court shall award to and render judgment for the claimant for such sum as shall be just and equitable, notwithstanding the provisions of the code of civil procedure to the contrary, since the accruing of damages, provided the claim herein is filed with the court of claims within one year after this act takes effect.  
§ 2. This act shall take effect immediately.

### LAW OF NEW YORK.—By Authority.

CHAP. 610.  
AN ACT to confer jurisdiction upon the court of claims to hear, audit and determine the alleged claim of Rhodney and Clawson against the state for damages caused by negligent and unlawful acts of the department of highways in the construction in Lee county sixteen hundred and fifteen and nineteen hundred and sixteen.  
Became a law May 10, 1918, with the approval of the Governor. Passed, three-fifths being present.  
The People of the State of New York, represented in Senate and Assembly, do enact as follows:  
Section 1. Jurisdiction is hereby conferred upon the court of claims to hear, audit and determine the claim of Rhodney and Clawson against the state for damages caused by negligent and unlawful acts of the department of highways in the construction in Lee county sixteen hundred and fifteen and nineteen hundred and sixteen, by reason of the delay in completing a certain contract which said claimants had with the highway department, the state of New York for the construction in Lee county sixteen hundred and fifteen and nineteen hundred and sixteen, in the town and village of Cape Vincent, Jefferson county, New York; it being alleged that such delay was caused by the negligent and unlawful acts of such highway department of the state of New York and of its superintendents, engineers, inspectors and employees, in neglecting to lay out such highway through the village of Cape Vincent, Jefferson county, and in the neglecting to build and for other negligent and unlawful acts which resulted in such claimants being unable to proceed with such contract and complete the same; the disruption and destruction of the highway organization of such claimants and the payment of wages of employees of such claimants for many days during which no work was done and in the hiring of a number of employees at an increased wage caused by such delay and in the loss of time and deterioration of machinery and supplies and for the loss of the use of such machinery and equipment during such period.  
§ 2. No action shall be made or judgment rendered against the state unless the facts proved make out such a case which would create a liability were the same established by evidence in a court of law or equity against an individual or corporation, and in case such liability is satisfactorily established then the court of claims shall award to, and render judgment for, the claimant for such sum as shall be just and equitable, notwithstanding the lapse of time since the accruing of damages or the failure heretofore to the filing of intention to sue such claim or the filing of such claim in accordance with the provisions of the code of civil procedure and the rules of the court of claims, provided the claim hereunder be filed with the court of claims within one year from the time this act takes effect; provided, however, that nothing in this act shall be deemed or construed to have acknowledged or created any liability on the part of the state, nor shall the passage of this act be deemed as depriving the state of any immunity from suit or any other defense except the statute of limitations, which it would otherwise have against the alleged claim.  
§ 3. This act shall take effect immediately.  
State of New York, Office of the Secretary of State.  
I have compared the preceding with the original law on file in this office, and do hereby certify that the same is a correct transcript thereof and of the whole of said original law.

## UNDERNEATH THE CITY HALL DOME

"The Huns are commencing to crack, and their morale is all shot the Kaiser's army in —, for they can't stand the attack of our boys, who push forward with a cheer and a yell," warbled the City Hall Poet this morning.

The board of public works are still considering the question of whether to grant any permits to merchants to keep goods stored on the sidewalk in front of their place of business, and no permits have been issued as yet. All merchants using the sidewalk for that purpose are therefore taking a chance. The city fathers recently, or rather some time ago, adopted a sidewalk ordinance which forbids any one to store stuff on the sidewalk.

Judge Schrick is in New York city on business and during his absence Acting Judge Shufeldt is presiding in police court.

Secretary Fred Sahloff, of the board of health, is enjoying his vacation.

Director of Public Recreation A. W. Buley stated this morning that those who expect to attend the big pageant "Over Here" at Forsyth Park Thursday afternoon will enjoy it better if they occupy the seats which will be placed in front of the stage, as they will then be enabled to see and enjoy the entire pageant.

The pageant this year promises to be exceptionally good said one who had witnessed some of the rehearsals. The first scene of the pageant will be taken mostly by the children from McVey's Field and the scene will be in charge of Mr. Picciano and Miss Plimmons, assisted by Mr. Rosen. The second scene of the pageant will be in charge of Miss Maryetta Rieley the third scene in charge of Miss Elizabeth Ginter and the fourth and closing scene in charge of Miss Costello, assisted by Miss Carter.

### OLIVE BRIDGE

Olive Bridge Aug 28—The missionary meeting held at Acorn Hill Wesleyan Church was well attended Sabbath morning. Sister Nancy Barts gave a very able address from the text, St. Luke 19, 17th verse, "Occupy Till I Come," and also gave some of her experiences while in Africa, showing the conditions there now as they are at present. About 50 attended in the morning. In the evening the attendance was over 100 both in the house and some outside. Our meetings are growing in interest. God is coming in power. Jesus is held up as a perfect Saviour able to save from sin in this present evil world. All that miss the meetings miss great blessings. We are living in a time when every church and all its members should be at their best for God and lift their hearts in prayer for the boys in the trenches that righteousness may win and wrong be put down. That God's kingdom may come and His will may be done on earth as it is in heaven.

Barber Blames Customers.  
This story about the "collative" barber is all wrong. It appears. A barber writes Seattle Post-Intelligencer protesting against further misrepresentation. It is the customer who has upon opening the door, he writes, and the poor barber is obliged to turn to all manner of confidential gutter, lounge, trench, scandals, and occasionally the customer gives a turn up on the back, "mark" and the barber goes back. It is this latter condition that helps him to survive.

## DECIDING GAME THURSDAY NIGHT

When the Question of Whether the Red Monograms or the Holy Name Society Will Win Pennant in Twilight League Will Be Decided.

Thursday evening the deciding game will be played in the Twilight League when the question of whether the Red Monograms or the Holy Name Society will win the pennant will be decided at McVey's Field. If the Holy Name wins the game they will have a percentage of .800 against a percentage of .777 for the Red Monograms, but the Monograms have one postponed game to play with The Freeman. If they win it they will tie the Holy Name for first place. On the other hand if the Holy Name loses Thursday the Red Monograms will win the pennant.

The game Tuesday evening scheduled between The Freeman and the Monograms was forfeited to the Red Monograms. An exhibition game was played which was won by the Monograms by a score of 6 to 4.

This evening, at McVey's Field the Crescents will play The Freeman.

The club standing.

	W.	L.	Pct.

Kingston Shipbuilders	1	9	.100

It is claimed that the Red Monograms quit the game Tuesday evening at the close of the third inning claiming that it was too dark to play. The Freeman team were ready to continue the game which had been slated for four innings, and the management of The Freeman team has filed a claim for the game with the secretary of the Twilight League. It will be brought before the meeting of managers next Wednesday evening.

## A TRIBUTE TO CORPORAL WATZKA

CORPORAL WILLIAM P. WATZKA

Today the flags of East Kingston were displayed at half mast to mourn the death of its hero, Corporal William Patrick Watzka, reported by the War Department as having been killed in action on August 14th for the freedom of nations.

Corporal Watzka was a noble character. He was straightforward in all his dealings, of whatever nature, with young and old of both sexes. His unselfish and genial disposition; his undying spirit and honesty ran exceedingly high. He was a young man of lofty ideals, deeply devoted to his widowed mother and four brothers, one of whom is a drafted man in the cause of democracy.

His traits were those of a natural born soldier; his athletic skill (being a base ball player of no mean ability), and his undaunted nerve to do or die must have been exemplified on the field of battle, where he fell a valiant and true son of liberty, and not without rendering good account of himself.

He was ever attentive to his religious duties and was a member of St. Colman's Church, East Kingston, where, out of all the young men of that parish, he was the only one to receive communion regularly the first Friday of each month in honor of the Sacred Heart of Jesus. It is known that on board ship on his way overseas he also received communion which clearly expresses his deep religious sense. A member of St. Colman's Dramatic Circle, he took part in many recent plays held for church benefits. He was most enthusiastic to have anything he was interested in achieve success, and was a close friend of Rev. Francis P. J. Cummings. He was a good mixer socially, and well beloved of all his acquaintances, who greatly regret his loss.

Mrs. Joseph Watzka, the boy's mother, is proud of the splendid record of her cherished son, who won distinction for valor and bravery on the field, winning for him the title of corporal. Had not his life ended so suddenly, it is certain that he would have attained a much higher rank in the service. It is felt that he will be a real loss to his regiment, because his patriotism was exceptional, on account of his fearlessness and devotion to duty.

From the tone of letters written to many friends and relatives, his view of the present world conflict was wholly optimistic, often stating that he would be home for dinner on Christmas of this year.

## Pessenaar Loves Suit.

Judge Schirick has handed down a decision in the action brought by the R. & F. Manufacturing Company against Joseph S. Pessenaar, which was recently tried before him by Newton H. Fessenden for plaintiff and Judge William D. Brinnier, Jr. for defendant, awarding the plaintiff a judgment of \$108.71. The action was brought to recover for a beer pump that had been sold to Mr. Pessenaar.

## NEW RULES TO CONSERVE WHEAT

Food Administration Regulations Effective September 1 Provide for Sale of Mixed Flour—Other Flour Rulings.

The recent careful survey by the food administrators of the United States, France, England and Italy of the food resources of the 220,000,000 people fighting against Germany, shows that, to maintain enough supplies and necessary reserves against disaster, there must be maintained in all countries a conservation of wheat flour during the coming year. It has been agreed that the wheat bread of the Allies shall contain 20 per cent of other grains than wheat, and it is only just that we should bear our share in this saving and that our bread at least should be universal with those who are suffering more greatly from the war than ourselves.

Distribution and transportation circumstances in the United States render it necessary to reply very largely on the voluntary action of our housewives to enforce this mixture. The "Victory Bread" so made is wholesome and there is no difficulty in preparation. We desire to emphasize the fact that the mixtures outlined below are for wheat bread and the saving of wheat flour, but they are not intended to displace the large use of corn bread. We must use the mixture with wheat flour in addition to our normal consumption of corn bread.

For this purpose regulations are formulated below, effective September 1, providing first, for the preparation and marketing by the manufacturer and distributing trades of the country of a mixed flour complying with the international policy, which will be available for purchase by the household; second, in regulations covering the case where straight wheat flour is sold by retailers at the same time 20 per cent of other cereals flour must be sold coincidentally; third, requiring that all bakers' bread shall contain 20 per cent of other cereals, and the food administration relies upon the householders of the country to mix at least 20 per cent of the substitute cereals into the wheat flour at home for all uses. Corn meal for the use of corn bread should be purchased separately from combination sales.

Ready Mixed Flour For Sale as "Victory Mixed Flour."

It is desired to insure a supply of ready mixed flours on the market, and to have millers and dealers of all kinds encourage the use and sale of this flour so that the country may be on a mixed flour basis without the necessity of retailers making combination sales of flour and substitutes. All such mixed flours made according to the following regulations should be labeled "Victory Mixed Flour," and are to be labeled with the ingredients in order of their proportion. The flour so mixed must be milled in accordance with the standards of the United States Food Administration. No "mixed flour" (except pancake flour) shall be made or manufactured except in the exact proportions as outlined below.

Mixed wheat and barley flour shall be in the proportion of four pounds of wheat flour to one pound of barley flour.

Mixed wheat and corn flour shall contain the proportion of four pounds of wheat flour to one pound of corn flour.

Mixed wheat, barley and corn flour shall contain the proportions of eight pounds wheat flour to one pound barley and one pound corn flour.

Mixed wheat and rye flour shall contain the proportion of three pounds of wheat flour and not less than two pounds of rye flour.

Whole wheat, entire wheat, or Graham flour or meal shall contain at least 95 per cent of the wheat berry.

All the above "Victory Flours" may be sold without substitutes but at no greater price from the miller, wholesaler or retail dealer than in the case of standard wheat flour.

## Retail Sale of Standard Wheat Flour.

The new regulations supersede the 50-50 rule. The retail dealer selling standard wheat flour is required to carry in stock either barley flour, corn meal or corn flour, and with every sale of wheat flour must sell a combination of some one or more of these in the proportion of one pound of substitute to each four pounds of wheat flour. No dealer may force any other substitutes in combination upon the consumer and these substitutes must conform to the standards fixed by the United States Food Administration.

There are some localities where other substitutes are available and which retailers may wish to carry. In order to meet this situation the following flours may be sold in such combination in lieu of the above flours if the consumer so demands: at the rate of one pound to each four pounds of wheat flour, that is, rye flour and meal, rice flour, oat flour, kafir flour, wild rice flour, bean flour, potato flour, sweet potato flour and buckwheat flour. Pure rye flour or meal may be sold as a substitute, but must be sold in proportion of at least two pounds of rye with three pounds of wheat flour.

The foregoing rules apply to all custom and exchange transactions as well as sales of flour to farmers unless modified by special announcement of the Federal Food Administrator of the state where the mill is located, subject to the approval of the Zone Committee.

## MILKERS.

In compliance with the general situation above, the following alterations are made in the rules and regulations, concerning the baking order:

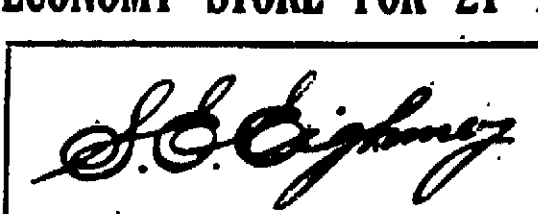

Rule 1-A. The consumption of wheat flour in bakery products not required 70% of the 1917 consumption is hereby rescinded.

Rule 2-A. Wheat flour substitutes for bakers remain as heretofore with the exception of rye, which will be a substitute when used upon a basis of not less than 40% which is two pounds of rye flour to every three

pounds of standard wheat flour. When rye is used in this proportion or a greater proportion, no other substitutes are required. If less than this proportion of rye flour is used the difference between such amount used and 40% must be made up of other substitutes.

Rule 6-A. Bakers will be required to use one pound of substitutes to each four pounds of wheat flour in all bakery products including bread, except Class 3-A—Crackers, in which only 10% of substitutes other than rye are required. The use of the name "Victory" will be allowed in all products containing the above proportions of substitutes.

Revisions of Previous Rules. The previous rules limiting licensees, millers, wholesalers, retailers, and bakers to thirty days' supply of flour will be changed to permit a sixty days' supply.

The rules limiting the sale of flour by millers to wholesalers, or wholesalers to retailers in combination with substitutes or certificates therefore, and the rule restricting the sale to 70 per cent of previous sales, are rescinded.

Manufacturers of alimentary pastes and wheat breakfast foods are limited to their normal consumption of wheat or wheat flour with the understanding that they are not to unduly expand their ordinary consumption of wheat.

Rules prohibiting the starting of new plants ready for operation prior to July 1, 1918, are rescinded.

Where millers sell directly to consumers they shall obey the same regulations as retail store dealers.

Wheatless days and wheatless meals are discontinued.

Nothing in these regulations is to be construed to mean that there has been any setting aside or changing of the Pure Food Laws as promulgated by the Bureau of Chemistry, Department of Agriculture, or the Internal Revenue Law as administered by the Internal Revenue Commissioner, which requirements must be conformed to by manufacturers and dealers in all cases.

## Gas Makers in Beacon Strike.

Three men had Beacon tied up Monday when they went out on strike Sunday night. They were employed by the Southern Dutchess Gas & Electric Company. Early risers Monday morning were bewildered when they turned on the gas cocks and the latter refused to burn. Hotels and restaurants were also handicapped as they were unable to run their typewriter machines on account of lack of gas. The trouble has been adjusted and the men have returned to work.

## Speeders Forfeit Bail.

Paul Delaney and M. J. Bambrick, two out of town speeders, who had been arrested by Motorcycle C. F. Super, and who had deposited \$100 cash bail each for their appearance in police court this morning, failed to appear and the bail was declared forfeited.
